

Coronavirus Statement: We are now operating a pre-booking system for refilling.

More information is available at:

We are taking precautions to protect ourselves and you from spreading the Coronavirus. Please wash and dry your containers or clean the outside with a sanitizing spray before bringing them to be filled. **We reserve the right to refuse to handle visibly soiled containers.**

How it works:

Bring your own containers for refills on cupboard staples, cleaning products, shampoo/conditioner/shower gel, and other plastic-free products.

Tips:

- Wide mouth jars/bottles are easiest to fill
- Make sure your container is CLEAN and DRY for best results (Dry is very important – any moisture in your container will breed bacteria and spoil your food.)
- Any container goes - bread bags, biscuit tins, food storage containers, whisky bottle tubes (great for spaghetti), squeeze mayo bottles (great for shower gel).. if you are happy you can get it home without spilling, bring it along
- For liquid refills, bring a like-for-like container. We reserve the right to refuse to fill a container if it is not suitable to the contents (for example, we won't put shampoo into a toilet cleaner bottle!)
- Everything is filled by weight, that's why our liquids are priced in grams. We weigh your container, fill it, weigh it again, and charge you for the contents only.

<p>Flour – If you would like to reserve flour for when you visit, please e-mail orders@refillsontheroad.com and specify what type and how many bags you would like.</p>

Allergens Statement: Whilst all reasonable precautions are taken to avoid cross-contamination of allergens when packaging and serving food, due to the fact that all foods are packaged in the same area, we cannot guarantee the absence of allergens from our products. If you or someone in your family has a life-threatening food allergy, we ask that you not shop for food at Refills on the Road.
